

Ag Student of the Year

Open to everyone studying an agricultural related degree, NVQ or BTEC course in a British university or college. This can be a first or final year student, but the individual must be in full time college/university education on April 30, 2020. Entries can come directly from individuals or from colleges and universities nominating students.

You can enter yourself, or be nominated by your college.

Questions

Please answer the following questions as best you can, supported by data wherever possible.

1. You and your background.

Tell us a bit about yourself. What is your home background? What made you decide to study agriculture, and why did you choose the college and the particular course you enrolled on? Did you have to overcome any particular challenges along the way?

2. Your academic achievements/activities.

Tell us about your achievements related to your current course or your previous studies - exam results, prizes, project work, work placements etc. Which aspects of your course have you particularly enjoyed and why? What are your proudest moments from your studies?

3. Your other achievements/activities.

What have you achieved outside of your academic studies (e.g. Awards, sporting achievements, leading roles in clubs/organisations, on-farm activities). What are you most proud of outside of your academic studies?

4. Your future plans.

What do you want to do when you finish your course? Where do you see yourself in 5 years time? 10 years time? What are you going to do to help you achieve these ambitions?

5. Your voice.

Tell us your views on a farming-related topic that you feel strongly about. Have your views on this topic led you to take any action?

6. Anything else?

Is there anything else that you would like to tell us that might mark you out as a winner?

7. Summary.

In summary, why do you think that you should be considered for Ag Student of the Year?
