

Young Farmer of the Year

Are you 30 years or under and making a success of managing a distinct area of the family farming business – or even running your own business? The winner of this category will be making a big impact on the farming business they are involved in and demonstrating qualities that mark them out as a future leader and innovator.

Farm name or business name:	
Type of Farm Enterprise:	
Size of Farm:	
Turnover and pre-tax profit for the past two years (<i>this information is in confidence and not for publication</i>)	

Questions

Please answer the following questions as best you can, supported by data wherever possible.

1. You and your background.

Tell us a bit about yourself. How did you start farming, what training have you had and what are your roles/responsibilities in the farming business?

2. Your impact & achievements.

What impact have you had on the farm business over the past five years? What changes have you championed? What do you think are your greatest achievements?

3. Your vision.

Where do you see your farm business in five years time and how do you plan to achieve this?
How do you see yourself developing personally - e.g. your activities/responsibilities/skills/achievements - over that period?

4. Anything else?

Is there anything else that you would like to tell us that might mark you out as a winner? For example:

- Are you personally doing anything to make the most of and nurture the natural resources of your farm?
- Your profile/wider industry/community role. Are you active on any committees or farmer organisations? Do you help to promote the image of farming to the wider public?

5. Summary.

In summary, why do you think that you should be considered for Young Farmer of the Year?
